

**Global Transparency: fighting corruption for a sustainable future.**

Athens, Greece  
30 October - 2 November 2008

Athens, Megaron International Conference Centre

## Programme

Join the leading experts and practitioners in the fields of governance, corruption and transparency.

The 13th IACC will look at the role of corruption and governance in the social, political, environmental, and economic questions that define the quality of life for people across the globe, today and tomorrow.
