Global Transparency: fighting corruption for a sustainable future.

Athens, Greece
30 October - 2 November 2008

Athens, Megaron International Conference Centre

Speakers

Join world leaders and experts in finding solutions to the causes and consequences of corruption on peace & security, natural resources & energy markets, climate change, and sustainable globalisation. Plenary sessions will be debate driven and conducted by a professional moderator. Each session will start with a short opening statement by the panellists and then, the floor will be opened up for a broader interactive discussion between the panel and the audience. Plenary sessions will be translated into the six official languages of the UN.
